

Michael Andrusak of Salina Completes Internship for Moran

SALINA - Congressman Jerry Moran today announced that Michael Andrusak of Salina has completed a congressional internship in his Washington, D.C., office.

"I place a high priority on giving Kansas students the opportunity to work in our nation's capital and learn about the workings of our federal government," Moran said. "It was a pleasure to have Michael in my Washington, D.C., office. I appreciate all of his work on behalf of Kansans."

Andrusak was home schooled in Saline County. He is a junior at Pepperdine University in Malibu, California, where he is studying political science and religion. At Pepperdine, he is involved in College Republicans and the Speech and Debate Club. Prior to coming to Washington, D.C., Andrusak completed a study abroad program in Florence, Italy. He was an award winner in the 2005 Womack Speech Competition, won the 2004 Voice of Democracy scholarship competition from his local Veterans of Foreign Wars post and participated in the 2003 Rural Electric Cooperative Youth Tour. Andrusak will graduate from Pepperdine in the spring of 2008 and plans to pursue a career in public service.

"I had an amazing experience working for Congressman Moran in Washington, D.C.," Andrusak said. "Whether I was observing Congress pass legislation or witnessing the outcome of the mid-term elections, I was blessed to be part of something much larger than myself."

In the office, Andrusak assisted Moran with legislative and administrative duties on behalf of the people of Kansas.

Michael is the son of Randy and Janet Andrusak of Salina.
